Steed & Barney's

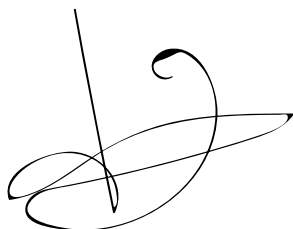

took a viagra, got stuck in me throat, i've had a stiff neck for hours. you're only supposed to blow the bloody doors off! you wouldn't hit a man with no trousers on, would you? your were only supposed to blow the bloody doors off. you wouldn't hit a man with no trousers on, would you? i want to shoot the pigeons... off my roof. **you're only supposed to blow the bloody doors off!**

« i took a viagra, got stuck in me throat, i've had a stiff neck for hours. you are as precious to me as you were to your own mother and father. i swore to them that i would protect you, and i haven't. i want to shoot the pigeons... off my roof. »

jasper: your baby is the miracle the whole world has been waiting for. you are as precious to me as you were to your own mother and father. i swore to them that i would protect you, and i haven't.

Sincerely yours,

Barney Stinson
